Dear Dr. Lederberg:

Due to a recent severe cut in salary funds, I am being released here, effective August 31, 1954. However, our chairman is kind enough to say I may leave whenever I find a job.

Would you let me know of vacancies as you happen to hear of them? I should greatly appreciate it, as our local grapevine is slow, inefficient, and not to be trusted.

Very truly yours,

J. R. Singleton
Assistant Professor of Botany
